JOINT RULING

**DISPOSITION: SCHEDULE MODIFIED**

On October 6, 2006, Portland General Electric (PGE) filed a motion to modify the procedural schedule in the above captioned proceedings (Motion). PGE indicated that after discussion with the Utility Reform Project and Ken Lewis (URP), it was agreed that revisions to the procedural schedule, including providing an opportunity for URP to file an amended complaint, would be appropriate. PGE also indicates that Staff of Public Utility Commission of Oregon (Commission) has been informed of the proposed schedule change and does not

object. With the concurrence of Staff, URP and PGE propose to modify the schedule, as follows:

<b>EVENT</b>	<b>DUE DATE</b>
URP files Amended Complaint	November 1, 2006
PGE files response to Amended Complaint and Reply Comments regarding the Deferred Accounting Application	November 21, 2006
URP refiles response to PGE's Motion to Dismiss Amended Complaint (if applicable)	December 6, 2006
PGE files Reply in Support of Motion to Dismiss (if applicable)	December 21, 2006

Based on PGE's representations that URP agrees to the proposed schedule and that Staff does not object, I grant the Motion and approve the modified schedule set forth above.

Dated this 10<sup>th</sup> day of October, 2006, at Salem, Oregon.
