**DISPOSITION: PETITION TO INTERVENE CONDITIONALLY  
GRANTED**

On May 12, 2008, Constellation Energy Commodities Group, Inc. (Constellation) filed a petition to intervene out of time in the above-captioned proceeding. Upon review of this petition, I find that Constellation has sufficient interest in the proceeding. I also find that Constellation’s appearance and participation in the proceeding will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001.

The petition to intervene of Constellation is conditionally granted. Any person wishing to contest the petition may do so within 10 days of the service of the petition. If no person files an answer to the petition, the petition is finally granted when the period for answering is past.

Dated this 15<sup>th</sup> day of May, 2008, at Salem, Oregon.
