DISPOSITION: PETITION TO INTERVENE GRANTED

On April 25, 2008, a petition to intervene out of time, together with comments, was filed by LS Power Associates, L.P. (LS Power). The period for objection to the petition has passed.

Upon review of this petition, I find that LS Power has sufficient interest in the proceeding, and that its appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. The petition to intervene of LS Power is granted, and the comments by LS Power are accepted.

Dated this 6th day of May, 2008, at Salem, Oregon.
