RULING

DISPOSITION: SCHEDULE MODIFIED; PREHEARING CONFERENCE
CANCELED

On July 1, 2015, Commission Staff filed a motion to amend the procedural schedule. Staff states that the parties participated in a workshop on June 30, 2015 and have decided to have a second workshop on July 14, 2015, and are not yet ready for another prehearing conference. Staff will submit a status report following the workshop. Staff represents that all parties support the motion.

I find that good cause exists for granting the motion. The prehearing conference set for July 7, 2015 is canceled. Staff is to file a status report after the July 14, 2015 workshop.

Dated this 2nd day of July, 2015, at Salem, Oregon.
