OF OREGON**

UM 1725

In the Matter of

IDAHO POWER COMPANY,

Application to Lower Standard Contract Eligibility Cap and to Reduce the Standard Contract Term, for Approval of Solar Integration Change, and for Change in Resource Sufficiency Determination.

RULING

DISPOSITION: MOTION GRANTED

On July 24, 2015, Commission Staff filed a motion to postpone the due date for parties' opening testimony from July 27, 2015 to July 31, 2015. Staff requests expedited consideration.

Staff cites workload as the reason for the postponed filing date. Staff states that the parties do not oppose the motion.<sup>1</sup>

I find that granting the motion will not prejudice any party, unduly delay the proceedings or burden the record. The parties' opening testimony is due on July 31, 2015.

Dated this 24<sup>th</sup> day of July, 2015 at Salem, Oregon.
