RULING

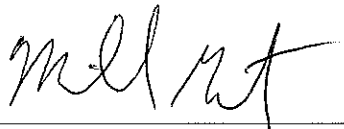

DISPOSITION: MOTION TO MODIFY SCHEDULE GRANTED

On April 12, 2018, Portland General Electric Company filed a motion to modify the procedural schedule in this docket. PGE requests that the deadlines in the existing schedule be extended by five weeks to allow the parties to continue settlement discussions. PGE's request appears to be unopposed by any party, although PGE states that some intervenors support an indefinite stay of proceedings rather than PGE's proposed five-week extension request.

I find that good cause exists to grant the motion and adopt the following schedule.

Staff and Intervenor Response Testimony	April 13, 2018	May 18, 2018
