RULING

DISPOSITION: MOTION TO MODIFY SCHEDULE GRANTED

On May 18, 2018, Portland General Electric Company filed a motion to modify the procedural schedule in this docket. PGE requests that the deadlines in the existing schedule be extended by four weeks to allow the parties to continue settlement discussions. PGE's request appears to be unopposed by any party, although PGE states that some intervenors support an indefinite stay of proceedings rather than PGE's proposed four-week extension request.

I find that good cause exists to grant the motion and adopt the following schedule.

Staff and Intervenor Response Testimony	May 18, 2018	June 15, 2018
