

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1953

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Investigation into Proposed Green Tariff.

RULING

**DISPOSITION: MOTION TO ADMIT SUPPLEMENTAL HEARING EXHIBIT
GRANTED**

A hearing was held in this docket on October 8, 2020. At the hearing, Calpine Energy Solutions, LLC (Calpine) offered Exhibit 202 Supplemental, Portland General Electric Company's Response to Northwest and Intermountain Power Producers Coalition (NIPPC) Data Request No. 007, and moved that it be entered into the record. No party objected to the admission of the exhibit.

At my direction, on October 9, 2020, Calpine filed a Motion to Admit Supplemental Hearing Exhibit. A copy of Calpine Solutions Exhibit 202 Supplemental was attached to the motion. Calpine states that this exhibit may replace the originally admitted Calpine Solutions Exhibit 202, which was PGE's original response to NIPPC's Data Request No. 007.

RULING

The Motion to Admit Supplemental Hearing Exhibit filed by Calpine Energy Solutions, LLC is granted. Calpine Solutions Exhibit 202 Supplemental is admitted into the record in these proceedings.

Dated this 9th day of October, 2020, at Salem, Oregon.
