

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2024

In the Matter of

ALLIANCE OF WESTERN ENERGY
CONSUMERS,

Petition for a General Investigation into
Long-Term Direct Access Programs.

RULING

**DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR LIMITED
PURPOSES**

The Commission received petitions to intervene in this docket from Calpine Energy Solutions, LLC, and NewSun Energy, LLC. Both organizations separately requested Huddle access.

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary for purposes of receiving copies of filings made by others and to be eligible to sign a protective order to obtain access to confidential information. For those reasons, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petitions to intervene filed by Calpine Energy Solutions, LLC, and NewSun Energy, LLC, are granted for the limited purposes described above.

Dated this 28th day of July, 2021, at Salem, Oregon.
