

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 2035

In the Matter of

IDAHO POWER COMPANY,

Application for Transportation  
Electrification Plan.

RULING

**DISPOSITION: MOTION GRANTED; SCHEDULE ADOPTED**

On November 1, 2019, Idaho Power Company filed its 2019 Transportation Electrification Plan, consistent with the Transportation Electrification Plan rules found at OAR 860-087-0020. These rules require that Staff work with parties to a Transportation Electrification Plan docket to propose a procedural schedule for the review of such plans after it is filed. Under the rule, an administrative law judge may review and approve a proposed schedule.

On November 25, 2019, Staff filed a motion to adopt a proposed schedule designed to in this docket. In support of its motion, Staff states that it circulated its proposed schedule and draft motion, and that no party or stakeholder objected.

**RULING**

Having shown good cause, Staff's motion is granted and the proposed procedural schedule adopted. I note that the adopted schedule is subject to future change as determined by the Commission. The schedule for this non-contested investigation proceeding shall be as follows:
