The Commission has received a petition to intervene in this docket from the Green Energy Institute at Lewis & Clark Law School

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary for eligibility to sign a protective order to obtain access to confidential information. For this reason, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petition to intervene filed by the Green Energy Institute at Lewis & Clark Law School is granted for the limited purposes described above.

Dated this 22nd day of May, 2023, at Salem, Oregon.
