In the Matter of

ZENA SOLAR, LLC,

Complainant,

vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

RULING

Pursuant to ORS 756.500.

DISPOSITION: 3rd JOINT MOTION TO MODIFY PROCEDURAL SCHEDULE GRANTED

On May 4, 2020, Complainant Zena Solar, LLC and Defendant PGE (collectively, the joint parties) filed a joint motion requesting expedited consideration and approval of a third procedural schedule modification in this proceeding. The joint parties state that the purpose of the requested deadline modifications are to provide the joint parties time to explore a possible settlement. The requested changes are as follows:

EVENT	PREVIOUS DATE	PROPOSED DATE
PGE Deadline to Answer Complaint	May 5, 2020	May 11, 2020
Zena Solar Response to Counterclaims	May 13, 2020	May 18, 2020
Selection of Procedural Path	May 15, 2020	May 18, 2020
PGE Response to Zena Solar Motion for Interim Relief and Preliminary Injunction	May 29, 2020 (to be reviewed May 15, 2020)	May 29, 2020 (to be reviewed by May 18, 2020)
Interim Relief Period Deadline	June 30, 2020	No Change Proposed

In support of the motion, the joint parties state that they have agreed that this extension is appropriate and that the proposed extension will not adversely impact the deadlines of the proposed procedural pathways presented by the joint parties in their April 17, 2020 motion. As similarly stated in the April 23, 2020 ruling, I request that the joint parties file any further proposed revisions in a joint motion, on or before May 18, 2020, as noted above.

RULING

I grant the motion. Having shown good cause, the joint parties shall abide by the agreed upon procedural schedule as proposed and presented above.

Dated this 5th day of May, 2020 at Salem, Oregon.
