UM 2118

SUNTHURST ENERGY, LLC ,

Complainant,

vs.

PACIFICORP dba PACIFIC POWER,

Defendant,

Pursuant to ORS 756.500.

RULING

DISPOSITION: SCHEDULE MODIFIED

On March 2, 2021, Sunthurst Energy, LLC, sent an electronic mail requesting schedule modifications. Sunthurst asks to remove the filing deadline for cross-examination statements. Although Sunthurst identifies the filing deadline as March 2, 2021, the scheduled deadline is March 3, 2021. Sunthurst also asks that the hearing scheduled for March 11, 2021, be canceled. Sunthurst represents that PacifiCorp agrees with, and authorized Sunthurst to make the schedule modification requests.

Sunthurst also indicates that Sunthurst and PacifiCorp agree to schedule dates for simultaneous opening and closing briefs and oral argument. They will propose a revised schedule by March 3, 2021, or alternatively make themselves available for a prehearing conference.

I treat Sunthurst's electronic mail as a motion to modify the schedule. Given the imminence of scheduled dates, and the concurrence of the parties, I review the motion on an expedited basis. I grant the motion, and modify the schedule, as requested: The hearing schedule for March 11, 2021, is canceled (notice to be separately provided); the filing deadline for cross-examination statements is removed; and a deadline of March 3, 2021, is added to file either a motion to revise the schedule with dates added for simultaneous briefs and oral argument, or to request to schedule a prehearing conference to address the remaining procedural schedule. I also remove the filing date of March 10, 2021, to file supplemental cross-examination statements and exhibits.

Dated this 2nd day of March 2021, at Salem, Oregon.
