UM 2126

In the Matter of the

Intervenor Funding Agreement between
IDAHO POWER COMPANY and the
OREGON CITIZENS' UTILITY
BOARD for Period 2021-2025.

MEMORANDUM

On November 6, 2020, the Idaho Power Company submitted a new intervenor funding agreement with Oregon Citizens' Utility Board (CUB), to become effective January 1, 2021 through December 31, 2025. The current agreement between Idaho Power and CUB, approved by Order No. 16-028 in docket UM 1757, expires December 31, 2020. The new agreement increases the CUB Fund from \$31,500 to \$33,000 to account for inflationary impacts on the related cost categories since the last intervenor funding agreement approval.

Written comments regarding this agreement should be filed in UM 2126 no later than 3:00 p.m. on December 18, 2020 so that Commissioners may have adequate time for review before issuing a decision regarding the agreement.

Dated this 24th day of November, at Salem, Oregon.
