RULING

**DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR LIMITED
PURPOSES**

Renewable Northwest and Northwest & Intermountain Power Producers Coalition each filed a petition to intervene in this docket.

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary for purposes of being on the eDockets “service list” that is used for electronic mail notifications of filings made and documents issued. Party status is also necessary to become a signatory to a protective order. For those reasons, the Commission will grant the petitions to intervene in proceedings using a Public Meeting decision making process.

The petitions to intervene filed by Renewable Northwest and Northwest & Intermountain Power Producers Coalition are granted for the limited purposes described above.
