MEMORANDUM
REGARDING
PROCEDURAL SCHEDULE

On September 15, 2023, I issued a ruling granting a motion in part from Portland General Electric (PGE) regarding oral argument in this docket. This memorandum establishes a new procedural schedule based on representations in PGE's September 15, 2023, motion.

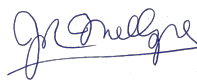

The following procedural schedule is adopted:

| Date | Event |
|--------------------------------------------|-------------------------------------------------------------------------------|
| October 27, 2023 | Stipulation and Supporting Materials Due; if no settlement, Status Report Due |
| November 2, 2023 | Any Objections to Stipulation Due |
| November 17, 2023, 10:00 a.m. – 12:30 p.m. | Oral Argument |

If the settling parties are unable to reach an agreement and finalize a stipulation by October 27, 2023, they are instructed to jointly file a Status Report on that date. Objections to the stipulation should not restate arguments already made in briefing. An agenda and additional details for the oral argument will be provided in advance.

All filings in this proceeding are due by 3:00 p.m. on the due date via electronic submission to the Filing Center. Filings submitted after 3:00 p.m. will be considered filed on the next business day.

Dated this 27th day of September, 2023, at Salem, Oregon.
