Consistent with OAR 860-001-0890(8):

*Each August 1 during the term of the Agreement Pre-certified Organizations will provide the Administrative Hearings Division a statement setting forth the manner in which the Pre-certification Fund Grant was spent or intends to be spent, including information sufficient to show that the funds were spent in a manner consistent with the these rules, whether a request for payment for remaining amounts has been filed, the remaining amount outstanding and whether the remaining amount or any initial amount will be released back to the fund. Each Pre-certified Organization will serve a copy of the report it provides under this section on the applicable Participating Public Utility or Utilities.*

In Order No. 23-180, a request for OJTA to provide an update on sub-grantee relationships was requested. To date, no update has been provided. OJTA should provide such an update with its report, consistent with Order No. 23-180.
