

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UT 125

In the Matter of

QWEST CORPORATION, fka  
U S WEST COMMUNICATIONS, INC.,

Application for Increase in Revenues.

MEMORANDUM

Over the past several weeks, I have worked with all parties to this proceeding to identify two documents that are included in the record through an ALJ ruling, but are not in the possession of the Commission. Specifically, these two items are missing from the paper record that our Administrative Hearings Staff is compiling and scanning:

6/12/2002 – Transmittal of Shortened Record and Certificate  
6/29/2001- NWPA/4/Wood (Exhibit to NWPA opening brief)

I have requested assistance from all parties to locate these documents. Parties have attempted to find these documents, but no party was able to locate them. Accordingly, I determine that these documents are no longer in the possession of any party or the Commission, and that the record in this case must be finalized without inclusion of these documents.

Dated this 7th day of March, 2024, at Salem, Oregon.
