DISPOSITION: PETITION TO INTERVENE GRANTED

On January 4, 2005, Sara Stone filed a petition to intervene in this docket. Ms. Stone is a customer of Odell Water Company and intends to raise issues related to the extent of the requested increase rate design.

I find that Ms. Stone has sufficient interest in the proceeding and that her appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. Accordingly, the petition is granted. *See* OAR 860-013-0021.

Dated in Salem, Oregon, this 7th day of January, 2005.
