Request for a general rate increase and	)	
interim rates.	)	

On February 22, 2005, a prehearing conference was held in this matter in West Linn, Oregon. Melvin Olson, owner, appeared on behalf of the company. Jason Jones, Assistant Attorney General, appeared on behalf of Commission Staff.

At the conference, the following schedule was adopted:

EVENT	DATE
Last day to intervene as a party	March 1, 2005
Settlement Conference (in West Linn)	April 21, 2005
Deadline for Data Requests	April 25, 2005
Deadline for Data Responses	May 9, 2005
Staff and Intervenor Testimony Due	June 2, 2005
Evidentiary Hearing	June 16, 2005
Commission Order (due by)	August 1, 2005

At the conference, the following customers filed petitions to intervene as parties: Walter Gamble; John Jeglum; Steve Moore; Nicholaus Krichevsky; and Carl Wickman. I find that all customers have sufficient interest in the proceeding and that their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. Accordingly, the petitions are granted. *See* OAR 860-012-0001. I encourage the five customers to work cooperatively with each other to avoid duplication of effort and redundancy of argument.

Dated in Salem, Oregon, this 25th day of February, 2005.

Administrative Law Judge
