DISPOSITION: NEW COMPANY NAME ESTABLISHED

As part of the regulatory requirements, Aegis Round Lake Sewer Company, LLC, needed to separate the water business from the sewer business. To comply with those requirements, Carol Lin, owner, has informed the Commission that a new water company, RL Water, LLC, has been established. From the date of this ruling forward, the water company will be referred to in this docket as RL Water, LLC, rather than by its former name, Aegis Round Lake Sewer Company, LLC. The docket number will remain UW 111.

Dated this 4th day of January 2006.
