DISPOSITION: SCHEDULE SUSPENDED

On June 19, 2008, The Staff of the Public Utility Commission of Oregon (Commission) filed a Stipulation and supporting testimony in this matter. Staff reports that the parties have reached settlement, and requests the Commission adopt the Stipulation intended to resolve all issues.

The Commission's review of the Stipulation is still pending. The purpose of this ruling is to notify all parties that the procedural schedule established in this case—which includes an August 1, 2008, evidentiary hearing—is suspended. The Commission intends to issue a final order in this matter early next month.

Dated at Salem, Oregon, this 21<sup>st</sup> day of July 2008.
