

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UW 181

In the Matter of

AVION WATER COMPANY, INC.

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED; PARTIES TO FILE STIPULATION, TESTIMONY AND DECLARATIONS OR, ALTERNATIVELY, A STATUS REPORT

On October 27, 2020, I issued a ruling granting a motion filed by the Staff of the Public Utility Commission of Oregon (Staff) and Avion Water Company, Inc. (Avion), (collectively, the parties) asking that the procedural schedule in this docket be suspended. In the motion, the parties stated that they intended to file a stipulation, supporting testimony, and a motion to admit and adopt the stipulation on or before November 13, 2020.

In my ruling, I stated that the parties shall file “either the stipulation, supporting testimony and affidavits or declarations, and a motion to admit and adopt the stipulation, or alternatively, a joint status report, on or before November 13, 2020.”

On November 13, 2020, the parties filed a Stipulated Status Report, stating that they continue to refine settlement positions and are working on drafting a stipulation and testimony in support of the stipulation, but have determined that additional time is necessary in order to finalize documents. They further state that they anticipate filing the stipulation and supporting testimony no later than November 20, 2020.

I find that the parties have shown good cause and that granting the motion will not unduly delay the proceedings or burden the record.

RULING

The parties shall file either the stipulation, supporting testimony and affidavits or declarations, and a motion to admit and adopt the stipulation, or alternatively, a joint status report, on or before November 20, 2020.

Dated this 13th day of November, 2020, at Salem, Oregon.
