

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UW 181

In the Matter of

AVION WATER COMPANY, INC.

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

On July 2, 2020, Avion Water Company, Inc., filed a request for a general rate revision. Under Order No. 20-213 entered July 7, 2020, the tariff sheets were suspended. A public comment hearing and prehearing conference were held on September 2, 2020. At the prehearing conference, a schedule for the remainder of the case was adopted. The schedule provided for the filing of Staff and Intervenor Opening Testimony on or before November 10, 2020.

On October 27, 2020, Staff filed a motion asking that the procedural schedule in this docket be suspended. In support of its motion, Staff represents that all of the parties have reached a settlement in principle resolving all issues in these proceedings, and that no party has interposed any objection to its motion. Staff further states that the parties intend to file a stipulation, supporting testimony, and a motion to admit and adopt the stipulation on or before November 13, 2020. In light of the November 10, 2020 due date for the filing of Staff and Intervenor opening testimony, expedited consideration is requested.

I find that Staff has shown good cause for suspending the procedural schedule.

RULING

1. The procedural schedule in this docket is temporarily suspended.

2. The parties shall file either the stipulation, supporting testimony and affidavits or declarations, and a motion to admit and adopt the stipulation, or alternatively, a joint status report, on or before November 13, 2020.

Dated this 27th day of October, 2020, at Salem, Oregon.
