

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UW 186

In the Matter of

SUNRIVER WATER LLC,

Request for a General Rate Revision.

RULING

**DISPOSITION: STIPULATION AND JOINT TESTIMONY AND EXHIBITS
ADMITTED**

On January 28, 2022, Staff of the Public Utility Commission of Oregon filed a stipulation of the parties and testimony and exhibits in support of the stipulation. On January 28, 2022, Staff filed a motion to admit the stipulation and testimony into the record. The individual declarations of Stephanie Yamada, Staff witness, and Timothy L. Smith, General Manager of Sunriver Water, LLC, accompanied the motion. In the declaration of Staff witness Yamada, Ms. Yamada declares the adoption of the portion of the co-sponsored testimony and supporting exhibits originally authored in part by Staff witness Scott Shearer.

I find the stipulation, testimony in support of the stipulation and exhibits offered by the parties and listed below meet the standards for relevance as required by OAR 860-001-0450(1), satisfy the general requirements of OAR 860-001-0480, and also meet the requirements for settlements and supporting testimony in OAR 860-001-0350(7).

The stipulation and the following exhibits identified are admitted into the record:

| PARTY/EXHIBIT NUMBER | TITLE |
|-----------------------------|--|
| Stipulating Parties/100 | Stipulation, and Joint Testimony in Support of Stipulation |
| Stipulating Parties/102-104 | Supporting Exhibits |

Exhibit 101, as submitted, is a recital of Mr. Shearer’s qualifications. Since Staff witness Yamada is adopting Mr. Shearer’s testimony, a statement of Ms. Yamada’s qualifications should be substituted (or added) and submitted as amended Exhibit 101. Upon receipt, this will be admitted upon a finding that it meets the above standards.

Exhibit 105 is a Staff Summary of Public Comments. The first paragraph explains that these were specifically comments received by the Commission. In his declaration, Mr. Smith leaves this exhibit off of his list of sponsored exhibits. Therefore, the understanding is that this item is only attributable to Staff and not also to the company’s witness, Mr. Smith.

If that is a correct characterization of Exhibit 105, please indicate this upon the submission of an amended Exhibit 101. Upon receiving confirmation that this is a Staff-only exhibit, Exhibit 105 will also be admitted upon a finding that it meets the standards listed above.

Dated this 7th day of February, 2022, at Salem, Oregon.
