In the Matter of

SALMON VALLEY WATER COMPANY,

Request for a General Rate Revision.

RULING

DISPOSITION: PROCEDURAL SCHEDULE SUSPENDED.

On July 24, 2023, Commission Staff filed a motion asking that the procedural schedule in this docket be suspended and that a scheduling conference be set so that dates for the remainder of this proceeding can be determined. Staff states that a number of parties to this proceeding have reached a full settlement in principle, which is opposed by two parties. Opening testimony would otherwise be due on July 24, 2023.

I grant Staff's motion and find it appropriate to suspend the procedural schedule and to hold a scheduling conference to determine how to proceed further. The procedural schedule is therefore suspended, and AHD will reach out to parties in order to determine a mutually amenable date for a scheduling conference.

Dated this 24th day of July, 2023, at Salem, Oregon.
