

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UW 196

In the Matter of

SEAVEY LOOP WATER  
COMPANY, LLC,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED

On November 21, 2023, Staff of the Oregon Public Utility Commission moved to set the procedural schedule in this docket. Staff states that the motion is unopposed by all parties to the docket. In short, Staff and the Seavey Loop Water Company, LLC have reached a stipulation, which intervenors intend to oppose. The new schedule allows for time for that opposition, and responses from the stipulating parties, to be field.

I find good cause to grant the revised schedule. The new schedule in this proceeding is as follows:

<b>EVENT</b>	<b>DATE</b>
Intervenor Testimony Opposing Stipulation	December 11, 2023
Staff/Company Response Testimony	January 11, 2024
Cross-examination Statements and Exhibits	February 13, 2024
Evidentiary Hearing	March 12, 2024, 9:30 a.m.
Simultaneous Opening Briefs	March 26, 2024
Simultaneous Reply Briefs	April 16, 2024
Target Date for Commission Decision	May 31, 2024

The parties are reminded that the filing deadline for all dates in the procedural schedule are due at 3:00 p.m. on the day of the event.

Dated this 21st day of November, 2023, at Salem, Oregon.
