

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UW 196

In the Matter of

SEAVEY LOOP WATER  
COMPANY, LLC

Request for a General Rate Revision.

RULING

DISPOSITION: STIPULATION TESTIMONY AND EXHIBITS ADMITTED;  
RECORD CLOSED.

Staff of the Public Utility Commission of Oregon have moved to admit the stipulation filed in this proceeding, joint testimony and exhibits in support of the stipulation (Stipulating Parties/100-105) and attached declarations into the record of this proceeding. They have also moved to admit the joint reply testimony and exhibits into the record of this proceeding (Stipulating Parties/200-202).

Two intervenors also filed testimony in this proceeding. These are Intervenor Diana China (Chin/100-102) and Intervenor Carrie Rose (Rose/100).

I find the testimony and exhibits offered by the parties and supported by the declarations of the witnesses meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. No party opposed the admission of any testimony or exhibits. The stipulation, testimony, and other exhibits are therefore admitted into the record as identified in the parties' motions.

Parties may file to correct the identification of testimony or exhibits by 3:00 p.m. on April 15, 2024. If no revisions are filed, the record will be considered closed.

Dated this 8th day of April, 2024 at Salem, Oregon.
