**DISPOSITION: REQUEST TO MODIFY SCHEDULE GRANTED;  
REVISED SCHEDULE ADOPTED**

By letter of January 11, 2006, TRACER filed a Request for an Extension (Request) due to illness of counsel. The Request asked that TRACER and other intervening parties be granted an extension of time in which to file reply briefs from January 18, 2006, to January 23, 2006, and to extend the time by which Qwest may file a brief in reply from February 9, 2006, to February 14, 2006.

TRACER represents that it has consulted with all parties and that no party to the proceeding has interposed any objection to the schedule change.

I find that good cause exists to adopt the following schedule:

Staff and Intervenor Post-Hearing Response Briefs Due	January 23, 2006
Qwest Post-Hearing Reply Brief Due	February 14, 2006

**RULING**

TRACER's Request for an Extension is GRANTED. The schedule set forth above is ADOPTED.

Dated at Salem, Oregon, this 17<sup>th</sup> day of January, 2006.
