RULING

DISPOSITION: MOTION FOR EXTENSION GRANTED

On September 25, 2023, Small Business Utility Advocates (SBUA) filed a motion to extend the deadline in this proceeding to submit a request for case certification for funding under my memorandum of March 10, 2023, and the Fifth Amended and Restated Intervenor Funding Agreement. (Agreement) SBUA represents that no party opposes the extension request, and I grant it for good cause. Given the late date of this request and the advanced stage of this proceeding, SBUA is directed to submit a proposed budget no later than Monday, October 9, 2023. I note that as of September 28, 2023, \$718 remains available in the PGE issue fund, and \$10,000 is available in the Case Certified funding reserve under the Agreement.

Consistent with Section 6 of the Agreement, I invite parties to respond to SBUA's request for case certification and proposed budget no later than Monday, October 16, 2023.

Dated this 4th day of October, 2023, at Salem, Oregon.
