**DISPOSITION: WORKSHOP SCHEDULE ADOPTED; ISSUES LISTS
TO BE FILED**

A prehearing conference was convened in this matter on March 2, 2007. All parties agreed to provide for electronic service only. Each party is advised to check the Commission’s website to ascertain which documents have been received, and to request service be effectuated if necessary. The parties are also reminded to review the Commission’s e-filing rules and procedures also available on our website. View this docket at: <http://apps.puc.state.or.us/edockets/docket.asp?DocketID=13896>

At the conference, the parties proposed the following schedule:

March 16, 2007	Deadline to file petitions to intervene
April 12, 2007	Workshop
May 2, 2007	Workshop
TBD	Prehearing Conference.

The proposed schedule is adopted. Staff is to provide notice of the times and locations of the workshops to the parties. The ALJ will not participate in the workshops.

Following the first workshop, any party may file a list of proposed issues not later than April 19, 2007. Any party may file a reply not later than April 23, 2007. The Commission will issue an adopted issues list prior to the May 2 workshop. Another prehearing conference will be scheduled after the May 2 workshop to determine the remainder of the docket schedule.

Petitions to intervene have been filed by several parties. The petitions of the Oregon Department of Energy and the Industrial Customers of Northwest Utilities were filed more than ten days previously and are granted. The petitions of PacifiCorp, Portland General Electric Company, and the Northwest Industrial Gas Users are granted conditionally, subject to the right of any party to protest within the time allowed.

Dated at Salem, Oregon, this 2nd day of March, 2007.
