**DISPOSITION: SCHEDULE ADOPTED**

A prehearing conference was held in this matter on June 11, 2008, in Redmond, Oregon. At the conference the parties agreed to a preliminary schedule. However, upon further reflection and on account of the later date to be set for the hearing, I have decided to allow the parties additional time to prepare their testimony. According, I adopt the following schedule:

Staff testimony	August 4, 2008
Company and intervenor testimony	August 25, 2008.

The hearing will be held in the evening in the area of the company at a time and place to be set by the Commission.

Crooked River was granted leave to file written replies to Staff’s pending motions. The Company’s replies are due not later than June 17, 2008.

Dated at Salem, Oregon, this 13th day of June, 2008.
