Subject: UE 177(4) Hearing

All –

Due to concerns about the weather, a hearing will only be held if the parties are unable to reach a mutual agreement to waive cross-examination. If the Commission has factual questions, we will issue a bench request. If we have legal questions, we will request that certain information be addressed in briefs. If either of these requests is necessary, it will be issued no later than Monday, February 28, 2011.

Please note that this same statement was sent out by ALJ Wallace earlier today in docket UE 178(4). I'm making it applicable to docket UE 177(4) as well due to the witness overlap in the two dockets.
