Subject: Re: Clarification of Ruling in UE 245 and 246

Dear UE 245 and UE 246 Parties:

Yesterday I issued a ruling asking PacificCorp, intervenors, and Staff to provide me copies of proposed schedules for UE 245 and UE 246 by Friday, March 16th. Although the disposition line indicated that the proposed schedules were to be "filed," I prefer the proposed schedules be provided to me by email with copies to others on the service lists, rather than through an official filing to the Filing Center. Sorry for any confusion.
