Subject: UE 245 2013 TRANSITION ADJUSTMENT MECHANISM

Parties to UE 245:

I received the joint motion to modify the procedural schedule. I accept all proposed changes except movement of the date for simultaneous reply briefs, which would reduce the time available to the Commission to prepare and issue a decision. Parties may submit a revised procedural schedule within one week, or I will issue a ruling adopting the parties' proposed schedule with the following modifications:

Simultaneous opening briefs due September 10, 2012

Simultaneous reply briefs due September 17, 2012

Thank you.
