Subject: This morning's PHC in UE 246

Parties to UE 246:

I will be conducting this morning's PHC for Shani Pines, who had a family emergency that required her to leave the country.

As you are aware, the purpose of this PHC is to discuss other changes to the procedural schedule following the Commission's decision to move the hearing dates from Oct 2-3 to Oct 15-16. After discussing matters with the Commission, I propose the following additional changes below. I look forward to hearing your comments to these proposals later this morning.

Prehearing briefs moved from 9/24 to 10/1

Exhibits and Cross Exam Statements moved from 9/27 to 10/8

Objections moved from 9/28 to 10/10

Opening briefs moved from 10/23 to 10/30

Closing briefs moved from 11/7 to 11/13

Oral arg stays on 11/30

Decision due 12/20
