

Draft Schedule

August 9, 2021

Docket No. UM 1826 – Staff Investigation into Electric Company Participation in the Clean Fuels Program

Staff requests stakeholder participation in reviewing utility Clean Fuels Program plans. The 2022 plans are expected to spend more than eight million dollars combined. Below is a proposed schedule for public review of the 2022 plans. If any stakeholder has feedback to offer on these dates and times, please send it to Eric Shierman by August 13, 2021:

(email: eric.shierman@puc.oregon.gov or call: (971) 239-3916).

- Utilities circulate draft plans on September 10th
- First workshop September 24th (2:00 PM to 4:00 PM)
- Second workshop October 15th (2:00 PM to 4:00 PM)
- Utilities file plans on November 19th
- Public Meeting December 14th (9:30 AM to 12:00 PM)
