SUBJECT: Verification of PacifiCorp Schedule 272 Rates Effective June 11, 2021.
Compliance Filing Advice No. 21-012.

In Order No. 21-146 entered May 11, 2021, in Docket No. UM 2163, (The Order) the Public Utility Commission of Oregon (Commission) adopted Staff's recommendation to set a cap on individually negotiated, resource specified, REC purchases where the Company also procures the underlying energy of the resource. In response to The Order, PacifiCorp submitted its Compliance Filing Advice No. 21-012 on June 4, 2021.

Advice No. 21-012 denotes the temporary limitations on Schedule 272 which are to be in place until the conclusion of an investigation into the Schedule.

Staff filed no information requests as the filing included all requisite documents to perform the analysis and review. Staff further finds that all of the revised sheets are correct.

Based on the review of PacifiCorp's application, Staff concludes that the proposed revisions are consistent with Order No. 21-146.
