I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was submitted on October 12, 2021 and will go into effect on November 17, 2021.

This filing revises CenturyTel of Oregon d/b/a CenturyLink, OR Tariff PUC OR. No. 6, Access Service Tariff.

This filing grandfathers certain low-bandwidth Private Line Services effective November 17, 2021. Newer technologies and services are available to customers in lieu of these technologically obsolete services. New orders and moves of existing services will be allowed to the extent permitted by existing term contracts. Existing terms will not be renewed upon expiration. Customers currently under a term commitment plan may retain their low-bandwidth services on a month-to-month basis upon expiration of their current term plan.

Other than noted above, this filing will not increase any rate or charge, cause the withdrawal of service, or conflict with other schedules.

It is requested that this filing become effective November 17, 2021.
