SUBJECT: **Colton Telephone Company, Docket No ADV 1405/Advice Letter No. 11. Revises tariff PUC Or. No. 5 Access Services as required by FCC Order No. 20-143.**

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was submitted on May 31, 2022, and will go into effect on July 1, 2022.

This filing revises Colton Telephone Company's Tariff PUC Or. No 3, Access Services, as required by FCC Order No. 20-143; Part 51 – Interconnection; Subpart M – 8YY Transition; §51.909 Transition of rate-of-return carrier access charges; Step 3.

The FCC Order further established a three step glidepath reduction to a uniform, nationwide toll free database query rate. Step 3 requires interstate and intrastate originating End Office Access Service rate elements for Toll Free Calls to be reduced by one-half. It also requires the rates for intrastate and interstate Toll Free Database Query Charges to be reduce by one-half to the transitional rate of \$0.0002 per query set forth in paragraph (o)(2) of 47 CFR §51.909. Colton proposes a reduction to the required rate level.

It is requested that this filing become effective July 1, 2022.
