In addition, NW Natural provides an unrelated housekeeping change to Sheet v of the tariff index to reflect the listing of an additional adjustment schedule as reflected in the Company’s approved advice filing in docket UG 459.

NW Natural notes that additional tariff updates resulting from Order No. 22-353 regarding deposits and disconnection notices were previously filed and approved by the Commission in the Company’s compliance filing made in docket UG 435.

Staff has reviewed the changes and concludes that the changes are consistent with Commission Orders No. 22-353.

Staff recommends that an acknowledgement letter of Advice Filing No. 22-19 be sent to Northwest Natural with an effective date of December 28, 2022.
