

**PUBLIC UTILITY COMMISSION OF OREGON
INTRAOFFICE CORRESPONDENCE**

DATE: September 15, 2022
TO: Caroline Moore
FROM: Bret Farrell
SUBJECT: Verification of PacifiCorp's Low-Income Discount, Schedule 7 terms and conditions Effective October 1, 2022. Compliance Filing Advice No. 22-008.

In Order No. 22-317, entered September 1, 2022, in Docket No. UE 409 (the Order), the Public Utility Commission of Oregon (Commission) adopted Staff's recommendation for conditional approval on the matter of establishing Schedule 7, Low-Income Discount and Schedule 92, Bill Adjustment Cost Recovery Mechanism, docketed as UE 409, with the additional direction to make a compliance filing which updates the 1000 kWh to 900 kWh when it comes to the monthly charge used to spread the cost of the program to residential customers.

In response to the Order, PacifiCorp submitted its Compliance Filing, Advice No. 22-008 on September 6, 2022. The filing included tariff changes to reflect the first condition listed above.

In order to verify the Company's compliance with the Order, Staff reviewed the revised tariff language and confirmed the inclusion of the Commission adopted changes. Staff filed no information requests as the filing included all requisite documents to perform the review. Staff found the Company included all the required revisions to Schedule 7 and further finds that all of the revised sheets are correct.

Based on the review of PacifiCorp's application, Staff concludes that the proposed revisions are consistent with Order No. 22-317.

Staff recommends that an acknowledgement letter be sent.
