Judge,

I did not approve this language. I was told by In-house Counsel the agreement is done and is only in the process of obtaining signatures.  
Mr. Reichmann came back from vacation and sent this without my input.  
We need to schedule a hearing with Mr. Reichmann, AND In-house counsel L. Kelly to see where we really are..

Thank you for your consideration of this matter.

Dear Judge Smith:

The parties have discussed a couple of minor contract revisions for which we have not been able to obtain final approval. We hope to have an agreement signed in the next couple of weeks. We would ask at this time that the schedule remain suspended. Once an agreement is signed, we will ask the Commission to close this docket. Thank you for your attention to this matter.
