

**OREGON PUBLIC UTILITY COMMISSION  
INTEROFFICE CORRESPONDENCE**

**DATE:** July 14, 2021

**TO:** File through Michael Dougherty and Bruce Hellebuyck

**FROM:** Russ Beitzel

**SUBJECT:** AVION WATER COMPANY, INC: (Docket No. UW 181/ADV 21-02) Files tariff in compliance with Order No. 20-488.

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, Avion Water Company, Inc. (Avion) files tariffs in compliance with Order No. 20-488 in Docket No. UW 181.

Issue

Whether the filed tariff should be allowed to become effective for service rendered on and after August 1, 2021.

Applicable Rule or Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 20-488, issued December 28, 2020, the Commission adopted the stipulation entered into between Avion and Staff in Docket No. UW 181. With that order, the Commission also directed Avion to file tariffs consistent with the order with an effective date during August 2021.

Analysis

In compliance with Order No. 20-488, on June 14, 2021, Avion submitted tariffs reflecting 4.d. to the stipulation entered into between Staff and Avion in Docket No. UW 181. I have reviewed the filed tariff and replacement sheets, and find that this filing complies with Order No. 20-488.

Conclusion

This filing complies with applicable laws and Commission orders, and should be allowed to become effective for service rendered on and after August 1, 2021.
