SUBJECT: SOUTH COAST WATER COMPANY, LLC:
(Docket No. UW 191/Advice No. 22-02)
Tariffs in compliance with Order No. 22-461.

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, South Coast Water Company, LLC (South Coast or Company) files tariffs in compliance with Order No. 22-461 in Docket No. UW 191.

Issue

Whether the filed tariff should be allowed to become effective for service rendered on and after January 1, 2023 for Phase 1 and January 1, 2024 for Phase 2.

Applicable Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 22-461, entered November 30, 2022, the Commission adopted the Stipulation entered into between South Coast and Staff in Docket No. UW 191. With that order, the Commission also required South Coast to file compliance tariffs for Phase 1 no later than December 19, 2022, with an effective date of January 1, 2023, and to file compliance tariffs for Phase 2 no later than December 18, 2023, with an effective date of January 1, 2024.

Analysis

In compliance with Order No. 22-461, on December 9, 2022, South Coast submitted tariff sheets reflecting the Stipulation entered into between Staff and the Company in Docket No. UW 191 for both Phase 1 and Phase 2. The Company submitted additional and replacement sheets on December 12, 2022. I have reviewed the filed tariff and replacement sheets, and find that this filing complies with Order No. 22-461.
