

**OREGON PUBLIC UTILITY COMMISSION  
(INTEROFFICE CORRESPONDENCE)**

**DATE:** August 29, 2023

**TO:** File through Marc Hellman

**FROM:** Russ Beitzel

**SUBJECT:** Salmon Valley Water Company:  
(Docket No. UW 195/Advice No. 23-2)  
Tariffs in compliance with Order No. 23-317.

I have reviewed the filings and recommend that an acknowledgement letter be sent. Salmon Valley Water Company (SV) submits the required tariffs in compliance with Order No. 23-317 in Docket No. UW 195.

Issue

Whether the filed tariff should be allowed to become effective for service rendered on and after September 1, 2023.

Applicable Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 23-317, entered August 25, 2023, the Commission adopted the Stipulation entered into between SV and Staff in Docket No. UW 195. The Stipulation required SV to file compliance tariffs no later than three business days from the date of the order, with an effective date of September 1, 2023.

Analysis

In compliance with Order No. 23-317, SV submitted the required tariffs within three business days.

I have reviewed the tariff sheets and find that this filing complies with Order No. 23-317.
