**Re: Docket UG 462 – Northwest Natural Gas Company, Renewable Gas Adjustment Mechanism – Dakota City**

To Filing Center:

The Public Utility Commission of Oregon Staff (Staff) submits for filing the enclosed errata to the Opening Testimony of Staff Witness Ted Drennan, Exhibit Staff/102, Drennan/1. Exhibit Staff/102 contains responses from Northwest Natural to select non-confidential data request (DR) responses. Northwest Natural initially identified Attachment 1 to DR 7 as a confidential response, but later provided DR 7, Attachment 1 as a non-confidential response. Staff's errata provides the Company's more recent response to DR 7, referring to DR 7 Attachment 1 without a confidential designation.

Sincerely,

*/s/ Johanna M. Riemenschneider*
