RE: Advice No. 20-37, Schedule 128 Short Term Transition Adjustment

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rule (OAR) 860-022-0025 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18, with a requested effective date of **January 1, 2021**:

Twenty Fifth Revision of Sheet No. 128-1
Twenty Fourth Revision of Sheet No. 128-2
Thirty Fourth Revision of Sheet No. 128-4

This filing establishes the Schedule 128 2020 Short-Term Transition Adjustment prices for Customers electing to leave Cost of Service pricing during the annual election window that opens November 16, 2020.

Schedule 128 Short Term Transition Adjustment prices for each schedule are calculated based on the difference between the prospective 2021 Tariff Energy Charges anticipated to be effective January 1, 2021 and the 2021 forward market prices for power.

The election window will open on November 16, 2020¹ at 2:00 PM and will close at 5:00 p.m. on November 23, 2020. This filing is made concurrently with the posting of the transition adjustment rates on the Company's website. The work papers supporting the Schedule 128 Short Term Transition adjustment rates are included.

To satisfy the requirements of OARs 860-022-0025(2), PGE provides the following responses:

OAR 860-022-0025 requires that PGE submit a statement of the tariff schedule change, the number of Customers affected, the change in revenue, and the grounds supporting the change.

¹ The Annual Short-Term Transition Adjustment rate will be filed on November 15th (or the next business day if the 15th is a weekend or holiday).

Schedule 128 is for Customers electing to leave PGE's Cost of Service or choose Direct Access as of January 1, 2021. It is unknown how many customers will make this election and the revenue change is therefore unknown.
