RE: Advice No. 17-33 UM 779 Compliance Filing, Late Payment Rate and Interest Accrued on Customer Deposits

Portland General Electric (PGE) submits this filing pursuant to Oregon Revised Statutes 757.205 and 757.210, and Oregon Administrative Rule (OARs) 860-022-0025 and 860-022-0030, for filing proposed tariff sheets associated with Tariff P.U.C. No. 18, with a requested effective date of **January 1, 2018**:

Sixteenth Revision of Sheet No. 300-1
Seventh Revision of Sheet No. 600-2

This Compliance Filing is being made pursuant to OPUC Order No. 17-477 in Docket No. UM 779. Our filing reflects an increase to the late-payment charge from the current 1.9 percent to 2.0 percent monthly and an increase in the annualized interest rate applied to customer deposits from the current 0.7 percent to 1.4 percent.

To satisfy the requirements of OARs 860-022-0025 and 860-022-0030, PGE provides the following responses: The increase to the late-payment charge and the interest accrued on deposits is set by the Commission. As of month-end October 2017, PGE has approximately 28,500 active customer accounts with deposits. PGE cannot predict the number of customers that will be affected by this change in calendar year 2018.

Should you have any questions or comments regarding this filing, please contact Mary Widman me at (503) 464-8223.

Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com
