RE: Advice No. 2142 for Qwest Corporation d/b/a CenturyLink QC P.U.C. Oregon No. 33
Exchange and Network Services Tariff

Dear Commissioners:

Attached for electronic filing are revised sheets for the Qwest Corporation d/b/a CenturyLink QC P.U.C. Oregon No. 33 Exchange and Network Services Tariff. This filing is being submitted with a proposed effective date of February 28, 2018.

| <u>Section</u> | <u>Page</u> | <u>Revision</u> |
|----------------|-------------|-----------------|
| 5 | 2 | 1st |
| 5 | 2.1 | Original |
| 5 | 3 | 4th |

The purpose of this filing is to clarify the location for rate band designations and the location for the measured rate for Extended Area Service (EAS) in Section 5, sheet 2. The residence and business EAS monthly incremental rate columns have been reformatted for easier reading and moved from sheet 3 to sheet 2.1. An outdated footnote has been removed on sheet 3. These revisions do not impact customers and are administrative only.

Consideration and timely approval of these pages are respectfully requested. Please contact me if you have any questions regarding this filing at zarneisha.dixon@centurylink.com or 913-353-7090.

Sincerely,

Zarneisha Dixon
